"Let's couple the future of England with the past of England. The glories and victories and triumphs that are over, and the sorrows that are over, too.

"Let's drink to our sons who made part of the pattern, and to our hearts that died with them.

"Let's drink to the spirit of gallantry and courage that made a strange Heaven out of unbelievable Hell, and let's drink to the hope that one day this country of ours, which we love so much, will find dignity and greatness and peace again."

On the 27th of January, 1926.

"FOR THE FALLEN"

"They shall grow not old as we that are left grow old;
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning
We will remember them."
